

???? (SUPRAFOAM)

markus.breitenlechner / PDF / ??, 07/26/2017 - 11:30

????

????

- The system works similar to the SUPRAMIX concept.
- Several chemicals are dosed and mixed with water and air in a controlled ratio.
- Recipes are stored on the controller and can be changed on the fly.

??

- Stainblocker
- Soil, water and oil repellents
- Fluorocarbons
- Anti static chemicals
- Softeners
- Flame retardants
- Anti bacterial chemicals
- Moth and beetle proofing agents
- Pile stabilizers
- Anti sheeding agents crease resist and dimensions stability resins
